Professional Summary

Results-driven developer with diverse work experience and one year of freelance development experience. Successfully delivered 12+ projects for 15+ satisfied clients. Seeking a position as a Junior Full-Stack Developer where I can leverage my expertise in designing and building custom software solutions across web, mobile, and desktop platforms.
Skilled in C# (.NET framework) and Python (Django framework) for backend development with a commitment to delivering high-quality solutions that exceed client expectations. Brings strong work ethic, adaptability, and practical problem-solving skills from previous roles in various industries.

Work Experience

2024 - Present

Freelance Developer

Successfully designed and built custom software solutions for 15+ clients across multiple platforms, maintaining a 100% client satisfaction rate.

- Developed 12+ full-stack applications for web, mobile, and desktop
- Implemented backend services using C# (.NET framework) and Python (Django framework)
- Collaborated with clients to define requirements and deliverables
- Managed project timelines and deployment processes
- Maintained long-term relationships with clients for ongoing support and enhancements
- Registered with freelance platforms to expand client base

2023

Self-Taught Software Development

Dedicated to learning programming through online resources including W3Schools, YouTube tutorials, and other online platforms.

- Acquired foundational knowledge in programming concepts and web technologies
- Developed basic applications to practice and reinforce learning
- Built a strong foundation for formal education and freelance work

2021 - 2022

Self-Employed Welder & Woodworker

Managed own business providing welding and woodwork services to various clients.

- Designed and fabricated custom metal and wood products
- Managed client relationships and project requirements

- Developed strong problem-solving and project management skills

2019 - 2020

Maintenance Worker

Bulembu Lodge

Performed maintenance duties including welding and general repairs, utilizing practical skills to maintain facility operations.

- Conducted routine maintenance and repairs on facilities and equipment
- Utilized welding skills for various maintenance projects
- Collaborated with team members to complete tasks efficiently

2017 - 2018

General Worker

Premier Bakery

Assisted in various general tasks throughout the bakery operations, demonstrating adaptability and teamwork.

- Supported bakery operations across multiple departments
- Maintained cleanliness and organization in work areas
- Adapted to various tasks as needed to support team objectives

Projects
